citron

MENU HIGHLIGHTS

LUNCH

DIVERSE | DELICIOUS | SOPHISTICATED

Vietnam has a rich culinary tradition, with highly regionalised ingredients, recipes dating back hundreds of years, and remnants of colonial times adopted into modern-day menus. Our culinary team in Citron brings you the best!

Food from the North tends to have mild flavours and highlights the natural taste of ingredients, and served with lots of herbs and condiments. Try "Pho" and "Bun Cha". Spices, sauces and dips are hallmarks of the cuisine of Central Vietnam - and seafood! Try "My Quang", "Bun Bo" and "Cao Lau". Southern Vietnamese cuisine is open to many influences, incorporating tropical ingredients and generally sweeter than food in the rest of the country. Try "Banh Xeo" and "Banh Mi".
