

*Look & Feel  
Fabulous*

*The Nail & Hair Studio*  
- ON SEA LEVEL -

## *The Nail & Hair Studio*

*Our only purpose:  
to help you look and feel your very best through  
the art of rejuvenation and beautification.*

*During your journey, you'll experience our  
commitment to excellence. We believe self-care is a  
form of self-expression, and we'll indulge you with  
the latest products, technology, and expertise to  
transform your body and spirit into a refreshed,  
renewed you.*

### The Margaret Dabbs London Collection

*The globally recognised British beauty brand fuses medical science with exceptional luxurious experiences to create a unique and unrivalled range of spa and clinical treatments for the feet, hands and legs.*

*This collection offers a foundation of signature manicure and pedicure services, with bespoke additional touches to tailor the experience to your needs.*

## Margaret Dabbs London for your Hands

*The Margaret Dabbs' Hand Collection specialises in anti-aging formulas to maintain and achieve healthy and more youthful hands. Utilising plant extracts such as hempseed and seaweed to boost and maintain your moisture levels and collagen with the signature scent of geranium and mandarin.*

### SUPREME MANICURE WITH TREATMENT GLOVES

60 Minutes

You'll enjoy reshaped, glossy nails and the nourishing touch of anti-aging serum, our exfoliating scrub, and hydrating cream, all complemented by soothing hand and arm therapy. Leave feeling refreshed, renewed, and beautifully pampered.

### PURE SUPREME MANICURE WITH TREATMENT GLOVES

60 Minutes

Embrace a gentler approach to hand care with our PURE Hands treatment, featuring vegan and 100% ethical-sourced formulas infused with active organic botanicals and the refreshing scent of Bergamot and Petitgrain. This is a purer way to achieve beautiful hands and nails, complemented with the signature arm and hand therapy and your choice of nail polish.

## Margaret Dabbs' Additional Touches

*Add any of these to your Supreme Manicure to leave feeling extra special*

### SCALP, SHOULDER, AND UPPER ARM THERAPY

30 Minutes

An experience that promises tension-relieving scalp therapy alongside a more calming experience for the neck, shoulders, and upper arms - it's the perfect relaxation upgrade.

### HAND AND ARM THERAPY

20 Minutes

A relaxing treat, enjoy an anti-aging, hand and arm pampering. With Intensive Hydrating Hand Lotion, this treatment soothes tension while leaving your hands feeling soft, smooth, and completely renewed.

### PURE OVERNIGHT HAND MASK AND TREATMENT GLOVES ADD ON

15 Minutes

Wake up to younger-looking hands with this vegan-friendly Hand Mask. Enriched with buriti oil, turmeric, white water-lily, and calendula, it smooths lines and rejuvenates the skin. Paired with soft bamboo and hemp gloves, the rose and lemon-scented formula works overnight for visibly refreshed hands.

## Margaret Dabbs London for your Feet

*The Margaret Dabbs' Foot Collection is crafted to revitalise and enhance the beauty of your feet with advanced anti-aging formulas. Infused with botanical extracts such as seaweed and hempseed, these treatments deeply hydrate, boost collagen, and soothe inflammation, leaving your feet feeling soft and beautifully cared for.*

### PURE GOLD LUXURY PEDICURE

70 Minutes

A refined vegan treatment which elevates foot care to an art form. A rich balm mask is applied to the feet and wrapped in luxury hemp socks, while the PURE Colloidal Gold Elixir is expertly worked into the feet and legs, leaving a golden radiance. A PURE Hand Mask and Luxury Treatment Gloves complement the experience, creating a complete sense of total renewal.

### SUPREME FOOT THERAPY AND PEDICURE

70 Minutes

With the use of expert tools by Margaret Dabbs London, this treatment achieves pristine results. Feet are softened with a lemon myrtle foot soak and exfoliated with a pumice and tea tree scrub. Intensive hydrating lotion and foot oil are worked into the skin, leaving feet renewed, light, and silky. A polish can be added to complete this exceptional experience.

## Margaret Dabbs' Additional Touches

*Add any of these to your pedicures to leave feeling extra special*

### LUXURIOUS FOOT & LOWER LEG THERAPY

30 Minutes

Pamper your feet and legs with the Margaret Dabbs London's Firming Leg Serum and Intensive Hydrating Foot Lotion. The experience will leave legs feeling lighter and refined, while the gentle application of lotion refreshes and relieves tiredness.

### FOOT THERAPY

20 Minutes

A calming, stress-relieving foot treatment that pampers and refreshes tired, overworked feet. The Intensive Hydrating Foot Lotion is applied with care, leaving you feeling relaxed and as if walking on air.

### BLACK LEG MASQUE WITH FIRMING LEG SERUM TREATMENT

30 Minutes

Perfect for improving circulation, this treatment soothes, firms, and cools the skin. A black leg masque is applied to the lower legs and feet, followed by a gentle cleanse. The therapy is completed with the application of Margaret Dabbs Firming Leg Serum, leaving your legs feeling re-energised.

## Margaret Dabbs London for your legs

*A blend of medical benefits and beauty, utilising powerful ingredients like wild ginger extract and a blend of botanicals to target cellulite, reduce water retention, and alleviate swelling. These treatments leave legs feeling smooth, visibly slender, and light, with a radiant and refreshed appearance.*

Each therapy includes careful exfoliation, targeted masque application, and a finishing touch with the Refining Glow Leg Spray for added radiance and vitality.

### ILLUMINATING & REFINING YELLOW LEG MASQUE TREATMENT

60 Minutes

This luxurious therapy improves circulation, cellulite, and skin texture. The Yellow Leg Masque deeply hydrates while evening skin tone and enhancing radiance. Concluded with the Refining Glow Leg Spray, infused with V-Tonic Complex and nourishing oils, this treatment leaves legs looking luminous and toned.

### RELIEVING & TONING BLACK LEG MASQUE TREATMENT

70 Minutes

An invigorating therapy for tired, heavy legs, designed to boost circulation and reduce water retention. The Black Leg Masque soothes and cools swollen or fatigued legs, while Legance and V-Tonic Complex help contour and energise. Legs feel lighter, smoother, and revitalised, with lasting results.

### LOWER LEG BLACK MASQUE TREATMENT

45 Minutes

Focused on the lower legs and feet, this treatment soothes and firms while improving circulation. The Black Leg Masque and lymphatic techniques leave legs lighter and more comfortable, making it a perfect add-on to any pedicure.

## Hair and Nail Studio Signature Experiences

### SOLE THERAPY

60 Minutes

Be kind to your feet, the foundation of your movement. Proper care promotes comfort and healthy circulation. Treat them to a therapeutic experience that soothes muscles, improves blood flow, and relieves tension.

### BEACH & POOL SOLE THERAPY

30 Minutes

Relax with an open-air foot therapy session from the comfort of your chaise longue, finishing with a soothing application of sunscreen.

### DETOX FOOT BATH WITH EXFOLIATION & THERAPY

45 Minutes

A detox to soothe inflamed, tired feet and ankles, followed by relaxing therapy for the lower legs, ankles, and feet, restoring them to their natural comfort and vitality.

### GEL REMOVAL, REFRESH & SHINE

30 Minutes

Restore your nails to their natural beauty. This treatment gently removes gel polish or residue, leaving nails refreshed, polished, and looking naturally beautiful.

## Hair Salon Services

*Whether enhancing your natural texture or restoring strength and shine, our hair salon will leave your hair refreshed, radiant, and beautifully cared for.*

### SHAMPOO & DRY

60 Minutes

Our signature hair experience goes beyond the traditional. Designed to cleanse and revitalise, it brings out the best in your hair, enhancing its natural texture and volume for a beautifully refreshed and effortlessly elegant finish.

### INTENSIVE CONDITIONING TREATMENT

60 - 90 Minutes

A restorative experience combining a deep conditioning treatment designed to restore moisture, strength, and shine. You'll also love the soothing neck and shoulder therapy, and a revitalising scalp treatment to replenish and revive.
